Visit us online: www.thuringowatouch.com

DATES: Friday Nights from September 10 to December 3, 2010

VENUE: Greenwood Park, Thuringowa Drive, Kirwan

Many parents see this time as a rest from the rigours of parenting so they are reluctant to coach. No one at Junior Fixtures gets paid and not all our helpers are parents. So our coaches aren't exhausted, if you could help with any of these tasks it would be greatly appreciated. Your help will assist in keeping our coaches and leaders fresh and enthusiastic and hence help your kids have fun. If you assist weekly your child can participate for no charge.

The following information outlines the duties and time involved in helping at Thuringowa Junior Touch:

1. Coaches Assistant

Assist the team coach with the children. Your tasks may involve getting drinks, marking the role, taking half of the team for a short activity (coach directed), getting ice or first aid in cases of injury.

2. BBQ

Required to cook sausages, bacon and onion on the BBQ and take it to the canteen. All equipment and food is provided and no clean up or set up is required. The cooking takes about an hour. AusTouch is near the BBQ so you could still watch your child (if they are in AusTouch). BBQ cooking starts about 15 minutes into the first time activity.

3. Time Keeper

AusTouch and Juniors have various time periods that need to be signalled. Times are written down and a hooter is also provided. You need to be away from people when signalling but otherwise can be anywhere on the fields. You will need to arrive about 10 minutes prior to commencement.

4. Certificate Roster

Each week a child from each team receives a certificate. You need to collect the names at half time and then collect the certificate from the admin area and take it to each team before full time. All certificates are already prepared so you will only need to maintain the certificate register so we know every child gets a reward.

5. Cold-cup Server

Each week a team receives a free cold cup. You need to distribute the cold cups to this team. This task takes about 15 minutes at the end of the activities. You will need to come to Admin about 5 minutes before the end of the activities.

6. Set-Up/Collect Markers

Involves putting the markers out on the fields at the start of the night or collecting them at the end of the night.
